THIS IS A SHAKEDOWN!

Debut Album *Love Kills* On Reversed Image Unlimited

~Hits Stores May 5, 2009~

New York, NY—It's dirty, decadent, delicious, and danceable. It's uncontrollable, uncontainable, and about to launch itself out of your speakers. Get ready to get catapulted into musical chaos, 'cause **THIS IS A SHAKEDOWN!**

Barreling out of the Cleveland music scene, this fresh new music act took a plethora of influences and made a hot, steamy, gumbo of a record that is boiling out of the pot. Taking pieces of industrial, punk, metal, goth, techno, R&B, and dance music, this electro-rock band is releasing their debut album ***Love Kills*** on **May 5** through **Reversed Image Unlimited**.

Launched in 2008, **THIS IS A SHAKEDOWN!'s** **Brandon Zano** (vocals/guitar), **Daniel Lee** (bass/synth), **Stephen Nicholson** (drums), and **Justin Nyilas** (keyboards/programmer) blend wild electro-groove with heavy rock. Known for notoriously riotous live sets, **THIS IS A SHAKEDOWN!'s** music gets your blood pumping, your heart pounding, and your body shaking. Tracks like "Circles," "You Make Me Wanna," and "Can't Stop" are instant sparks, electrifying dance floors and charging the psyche to remember those groovy hooks. They even took Frank Sinatra's "My Funny Valentine" and transformed it into a slinky, sexy ballad suitable for a punk rock prom.

Multi-platinum award-winning producer/engineer **Michael Seifert** is at the production helm on this project. **Seifert** tapped producer/engineer **Sean Beavan** (best known for mixing and producing music by Nine Inch Nails, Marilyn Manson, System of a Down, and Slayer) to mix the album. Digging into these ground-breaking roots, **Seifert** and **Beavan** bring that dark magic to **THIS IS A SHAKEDOWN!'s** already unique sound.

All around, ***Love Kills*** is a mash-up, mind-trip album busting at the seams with energy and innovation! It's on the way to a stereo, dance hall, or punk club near you. Prepare for the **SHAKEDOWN!**

Reversed Image Unlimited LLC is a non-traditional, highly innovative record label featuring indie, electronic, rock and pop artists. Keep an eye out for new releases from **THIS IS A SHAKEDOWN!**, **Chuck Mosley** (formerly of Faith No More), **Adam Heart**, **Ghost Town Trio** and more.
